

Biography

Chemène Sinson

Career summary

Chemène is a learning, performance and development consultant with 30+ years' experience working with diverse clients, both in Australia and internationally. She established her Australian consultancy—Blackwater Projects—in 2000.

Professional Philosophy... Listen first

Specialisations and achievements

- **Trainer's trainer**
Chemène has worked with clients from corporate, government and community sectors, developing their skills as trainers, assessors, presenters, and mentors.
- **Speaker**
Chemène is a speaker and Master of Ceremonies at conferences and special events.
- **Instructional design and delivery**
ID needs → Concept → Design → Pilot → Finalise → Deliver → Review
Chemène offers an end-to-end service, working with clients to design, develop and deliver tailored accredited and non-accredited programs that are relevant, engaging and get results.
- **Retail learning and assessment materials**
Chemène has produced a suite of learning and assessment materials covering the Certificate IV in Training and Assessment. More than 100 training organisations have purchased these to date.
- **LLN and VET meeting place**
Chemène has teamed up with literacy specialist Ann Leske to form LLN and VET Meeting Place – together we offer resources, services, and a source of information to support vocational trainers with building their learners' foundation skills through VET.
- **An Olympian**, Chemène coaches elite sportspeople in media, presentation and leadership skills, and announces at major sport events, including the Olympic Games and World Championships.
